New Meeting Place for EID's February 4 Public Hearing **El Dorado Adventist School Gymnasium Is New Venue**

Placerville, CA . . . To better accommodate customers, El Dorado Irrigation District has secured a larger meeting place for the February 4, 2010 public hearing on the district's proposed rate increases. The new venue is the El Dorado Adventist School Gymnasium, located at 1900 Broadway in Placerville, California.

The time of the hearing has not changed. It will begin at 6:00 pm.

Initially, the meeting was scheduled for the El Dorado County Board of Supervisors Meeting Room on Fair Lane Drive in Placerville. "Based on the number of customers who attended our first two workshops, we decided a larger meeting space was needed," said Jim Abercrombie, the district's general manager.

Abercrombie emphasized that the "board and staff have been listening to customer concerns and suggestions over the past several weeks, and staff is working on 'Plan B.' We'll present the outline of that plan at the regular board meeting this coming Monday, and we'll also discuss it at the workshops next week."

The Monday, January 25 board meeting will begin at 9:00 am in the board room of the district's customer service building, 2890 Mosquito Road, in Placerville.

The two upcoming workshops that Abercrombie mentioned will precede the February 4 public hearing. The first is scheduled for Wednesday, January 27, 2010, in the Oak Ridge High School Cafeteria, 1120 Harvard Way, El Dorado Hills. The second will take place on Thursday, January 28, 2010, in the Cameron Park Community Service District building, 2502 Country Club Drive, Cameron Park. Both workshops begin at 6:00 pm.

For more information and for maps to the meeting sites, the district encourages customers to visit www.eid.org or call 530-622.4513 or 916-965-0930.
