

Sub-Metering for Commercial Accounts

- Sub-meters must be installed in the ground outside. No inside installations.
- Please submit a drawing showing existing building meter location and proposed sub-meter installation location along with a check for plan check and inspections in the amount of \$150.00 to :

**El Dorado Irrigation District
Attn: Development Services
2890 Mosquito Road
Placerville, CA 95667**

- An estimate form will be filled out and the plans forwarded to the Meter Services Supervisor who will contact the owner to meet onsite to review the installation.
- Once approved the owner will be contacted to make an appointment to complete a Sub-Meter Service Application and pay \$500.00 materials deposit per **¾” meter*** for the cost of the hardware.
- The owner will pick up the sub-meter(s) from the EID Warehouse on Mosquito Road and install at the approved location on the private service line. When completed the owner will contact EID for inspection.
- Once the inspection is approved and completed, the sub-meter will be added to the customer’s utility bill and sub-meter billing will commence.
- The owner will indicate on the application if the sub-meter(s) are to be locked or unlocked at final inspection. A \$50.00 trip charge will be posted to the master account for each request to lock or unlock sub-meter(s). While locked, the basic sewer charge will not be incurred on the sub-meter account(s). The basic water charge will apply to the sub-meter account(s) whether the sub-meter is locked or unlocked.
- Please contact Development Services at 530-622-4513 if you have any further questions.

***Deposit will vary depending on size of sub-meter.**

2890 Mosquito Road, Placerville, CA 95667 (530) 622-4513
