

**EL DORADO IRRIGATION DISTRICT**  
**REQUEST FOR PRE-QUALIFICATION OF BIDDERS FOR**  
**MOTHERLODE FORCEMAIN PHASE IIA/IV PUBLIC WORKS PROJECT**  
**RFQ09-03**

**NOTICE IS HEREBY GIVEN** that sealed completed **PRE-QUALIFICATION QUESTIONNAIRES** will be received **no later than 3:00 p.m. on Wednesday, July 15, 2009**, local time as determined by the Dymo Datemark clock, at the Front Desk of the El Dorado Irrigation District's (District) Customer Service Building, 2890 Mosquito Road, Placerville, CA 95667 for Pre-Qualification of Bidders for **Motherlode Foremain Phase IIA/IV Public Works Project, Project Numbers 00004E.01 and 09010E.01, Contract No. RFQ09-03.**

The project is located in Shingle Springs, California and generally consists of: Construct and tie-in approximately 1,400 linear feet of 20-inch PVC forcemain on Durock Road (Phase IIA); construct and tie-in approximately 6,000 linear feet of 20-inch PVC forcemain on Mother Lode Drive (Phase IV). The District intends to bid this project in August 2009 and require construction be completed in 2009. The estimated value of this project is \$2.5 to \$3 million.

The Phase IIA portion of the project was formerly part of the El Dorado County Department of Transportation (DOT) "Durock Road and Business Drive Traffic Signal, Intersection Widening and EID Sewer Force Main" public works project. The Phase IIA forcemain work has since been removed from the DOT project and now will be bid and constructed with the Phase IV work as a District project. In February 2009 the District issued RFQ09-01 for pre-qualification of contractors for the District's Phase IIA forcemain portion of the DOT project. **Contractors who successfully prequalified under RFQ09-01 are already eligible to bid the Motherlode Foremain Phase IIA/IV project and do not need to respond to this RFQ09-03. All Firms that applied for pre-qualification in response to RFQ09-01 but were unsuccessful are ineligible from applying for pre-qualification in response to this RFQ09-03 and are ineligible to bid the Motherlode Foremain Phase IIA/IV project.**

Interested firms may obtain a copy of the Request for Qualifications (RFQ) from the District's website at [www.eid.org](http://www.eid.org) or from Administrative Services by calling 530-622-4513.

Questions, requests for clarifications, and comments concerning the RFQ must be addressed in writing to Michael J. Brink, P.E., Senior Engineer, via email at [mbrink@eid.org](mailto:mbrink@eid.org) or facsimile at 530-642-8597 **no later than 1:00 p.m. on Wednesday, July 8, 2009.**

Dated this 26<sup>th</sup> day of June 2009.
