Bids shall be deemed to include the written responses of the Bidder to any questions or requests for information of District made as part of Bid evaluation process after submission of Bid. Bidder’s failure to submit all required documents strictly as required entitles District to reject the bid as non-responsive.
- 4. CONTENTS OF ENVELOPE “A” - BID PRICE.** Envelope “A” shall include:
- a. Document 00400 (Bid Form) completed in accordance with paragraph 6 of this Document 00200.
  - b. Bid security supplied and completed in accordance with paragraph 7 of this Document 00200.
  - c. Document 00430 (Subcontractors List) in accordance with paragraph 8 of this Document 00200 and Document 00430 (Subcontractors List).

  - c. A separate sealed envelope (labeled “CONFIDENTIAL INFORMATION FOR BID FOR THE DISTRICT” with the project name and number, contract number, and Bidder’s name) containing all proprietary, trade secret and otherwise confidential information of Bidder contained in or submitted in connection with its Bid, submitted in accordance with paragraph 28 of this Document 00200.
  
6. **REQUIRED BID FORMS.** All Bidders must submit Bids using, where applicable, documents supplied in this Project Manual, including without limitation Document 00400 (Bid Form), Document 00430 (Subcontractors List), Document 00481 (Non-Collusion Affidavit) and Document 00482 (Bidder Certifications). District will reject as non-responsive any Bid not submitted on the required forms. Bids must be full and complete and legible. Bidders must complete all Bid items and supply all information required by Bidding Documents. District reserves the right in its sole discretion to reject any Bid as non-responsive as a result of any error or omission in the bid. Bidders may not modify the Bid Form or qualify their Bids. Bidders must submit clearly and distinctly written Bids. Bidders must clearly make any changes in their Bids by crossing out original entries, entering new entries, and initialing new entries. District reserves the right to reject any Bid not clearly written.
  
7. **REQUIRED BID SECURITY.** Bidders must submit with their Bids either cash, a cashier’s check, or certified check from a responsible bank in the United States, or corporate surety bond furnished by a surety authorized to do business in the State of California, of not less than ten percent (10%) of the total amount of Bid (excluding alternates, if any), payable to District. All Bidders choosing to submit a surety bond must submit it on the required form, Document 00411 (Bond Accompanying Bid). District will reject as non-responsive any Bid submitted without the necessary Bid security.

The District may retain Bid securities and Bid bonds of other than the Apparent Low Bidder for a period of 90 Days after award or full execution of the Contract, whichever first occurs. Upon full execution of the Contract, and upon request by Bidder, District will return to the respective unsuccessful Bidders their Bid securities and Bid bonds.
  
8. **REQUIRED SUBCONTRACTORS LIST.** All Bidders must submit with their Bids the required information on all Subcontractors in Document 00430 (Subcontractors List) for those Subcontractors who will perform any portion of Work, including labor, rendering of service, or specially fabricating and installing a portion of the Work of improvement according to detailed drawings contained in the plans and specifications, in excess of one half of one percent (1/2 of 1%) of total Bid. Violation of this requirement may result in Bid being deemed non-responsive and not being considered.

9. **MANDATORY PRE-BID MEETING AND SITE VISIT.** District will conduct a Mandatory Pre-Bid Meeting and Site Visit at 10:30 a.m., local time, on Thursday, December 15, 2011. The Meeting will commence at the District's El Dorado Hills Wastewater Treatment Plant, 4625 Latrobe Road, El Dorado Hills, CA and then proceed to the Project Site. Each Bidder must be represented and attend the entire Meeting and Site Visit. Each representative shall sign an attendance sheet identifying the Bidder represented. A sign-in sheet will be available from 10:15 a.m. to 10:45 a.m. only.
- a. District reserves the right to schedule and organize the Site Visit to minimize disruption to surrounding facilities and congestion. Any Bidder wishing to investigate subsurface conditions or otherwise conduct invasive investigations, explorations, test, or studies at this Site, shall schedule such examinations with the District by filing the District at least seven (7) day written notice. Additionally, any such Bidder must deliver an executed Document 00210 (Access, Indemnity and Release Agreement) and provide an insurance certificate as described therein by noon of the Day prior to the site examination. Bidders who intend only to observe Site conditions and not conduct such examinations are not required to provide an executed Document 00210 or an insurance certificate.
  - b. Bidders must submit written questions in connection with the Meeting and Site Visit. District will transmit to all parties recorded as having received Bidding Documents such Addenda as District in its discretion considers necessary in response to written questions. Bidders shall not rely on oral statements. Oral statements will not be binding or legally effective.
10. **OTHER REQUIREMENTS PRIOR TO BIDDING.** Submission of Bid signifies Bidder's careful examination of Bidding Documents and complete understanding of the nature, extent, and location of Work to be performed. As a condition to Bidding, Bidder must complete tasks listed in Document 00520 (Agreement), Article 5. Submission of Bid shall constitute Bidder's express representation to the District that Bidder has fully completed these tasks.
11. **EXISTING DRAWINGS AND GEOTECHNICAL DATA.** Bidders may examine any available existing conditions information (eg. record documents, specifications, studies, drawings of previous work on site) by giving District reasonable advance notice, as well as applicable environmental assessment information (if any) regarding the Project. Document 00320 (Geotechnical Data and Existing Conditions) applies to all supplied existing conditions information and geotechnical reports and all other information supplied regarding existing conditions either above ground or below ground, including without limitation any applicable reports pertaining to naturally occurring asbestos. District will make copies available for a fee of printing and handling. A Bidder must give two (2) days advanced notice if copies are desired.
12. **ADDENDA.** Bidders must direct all questions about the meaning or intent of Bidding Documents to District (Attention: Mike Brink) in writing. Interpretations or clarifications considered necessary by District in response to such questions will be issued by Addenda mailed, faxed, or delivered to all parties recorded by District as having

received Bidding Documents. Addenda will be written and will be issued to each Bidder to the address or fax number supplied to the District by the Bidder. All questions must be received by **Tuesday, January 3, 2012**. District may not answer questions received after this date. Only questions answered by formal written Addenda will be binding. Oral and other interpretations or clarifications will be without legal effect. However, District and/or Engineer may, upon inquiry by Bidder, orally direct Bidder's attention to specific provisions of the Contract Documents which cover the subject of the inquiry.

In addition:

- a. Addenda may also be issued to modify the Bidding Documents as deemed advisable by District.
- b. Addenda shall be acknowledged by number with signature in Document 00400 (Bid Form) and shall be part of the Contract Documents. A complete listing of Addenda may be secured from District.

**13. SUBSTITUTIONS.** Bidders must base their Bids on products and systems specified in Contract Documents or listed by name in Addenda.

- a. Except as provided in paragraph 13c below, District will consider substitution requests only for "or equal items". Bidders wanting to use "or equal" item(s) may submit Document 00660 (Substitution Request Form) no later than 30 Days after the due date for District receiving bids. After that date, the District will not accept "or equal" substitution requests. To assess "or equal" acceptability of product or system, submittals of substitutions shall contain the information required in Document 00660 and set for in Section 01600 (Product Requirements). Insufficient information will be grounds for rejection of substitution. District shall, within a reasonable period of time after having received a request for substitution, issue in writing its decision as to whether the proposed substitute item is an "or equal" item for compatibility to District systems, durability, or quality. District's decision shall be conclusive on all Bidders.
- b. Approved substitutions shall be listed in Addenda and become part of Contract Documents.
- c. Substitutions may be requested after submitting Bids and Award of Contract only in accordance with Section 01600 (Product Requirements).
- d. As a limitation on Bidder's privilege to substitute "or equal" items, District has found that certain items are designed as District standards and certain items are designed to match existing items in use on a particular public improvement either completed or in the course of completion. As to such items, District will not permit substitution. As a further limitation on Bidder's privilege to substitute items, District has found that certain necessary items are only available from one source. As to such items, District will not permit substitution. Such items are listed in Section 01100 2.2.

**14. WAGE RATES.** Copies of the general prevailing rates of per diem wages for each craft, classification, or type of worker needed to execute the Contract, as determined by Director of the State of California Department of Industrial Relations, are on file at District's office and are deemed included in the Bidding Documents. Upon request, District will make available copies to any interested party. Also, Contractor shall post

the applicable prevailing wage rates at the Site. The California Department of Industrial Relations website is [www.dir.ca.gov](http://www.dir.ca.gov)

15. **EQUAL EMPLOYMENT OPPORTUNITY.** Contractor shall comply with all applicable federal, state, and local laws, rules, and regulations in regard to nondiscrimination in employment because of race, color, ancestry, national origin, religion, sex, marital status, age, medical conditions, disability, or any other reason.
16. **PLANS.** Complete sets of Bidding Documents must be used in preparing Bids. Neither District nor Engineer assume any responsibility for errors or misinterpretations resulting from use of incomplete sets of Bidding Documents. One set of plans will be provided with the Bid Documents. No return of full-size Drawings is required, and no refund will be made.
17. **BID OPENING.** District will open all Bidders' Envelopes "A" at 3:00 p.m. on the specified date, initially evaluate them for responsiveness, and determine an Apparent Low Bidder as specified herein. District will not open Envelopes "B" publicly, and except for the Apparent Low Bidder's Envelope "B" (or as otherwise provided in this Document 00200), they will remain unopened.
18. **DETERMINATION OF APPARENT LOW BIDDER (Envelope "A").** Apparent Low Bid will be determined as provided in Document 00400 (Bid Form). All Bidders are required to submit Bids on all Bid items including any alternates.
19. **EVALUATION OF BIDDER RESPONSIBILITY (Envelope "B").**
  - a. District will open Apparent Low Bidder's Envelope "B" and check its contents for compliance with paragraph 5 above and paragraph 20 below. District will notify Apparent Low Bidder in writing of any deficiencies found and will provide Bidder the opportunity to respond in writing with reasonable clarifications but will not allow any changes in the nature of Bidder as a business entity.
  - b. If any Apparent Low Bidder is determined to be non-responsive or non-responsible, District may open the next Apparent Low Bidder's Envelope "B" pursuant to any procedures determined in its reasonable discretion, and proceed for all purposes as if this Apparent Low Bidder were the original Apparent Low Bidder. District shall use reasonable efforts to make the responsive responsible Apparent Low Bidder's Envelope "B" public on the fifth Day following opening of the Bidders' Envelope "A"s, subject to paragraph 28 below.
20. **BID EVALUATION.** District may reject any or all bids and waive any informalities or minor irregularities in the Bids. District also reserves the right, in its discretion, to reject any or all Bids and to re-Bid the Project. District reserves the right to reject any or all nonconforming, non-responsive, unbalanced, or conditional Bids, and to reject the Bid of any Bidder if District believes that it would not be in the best interest of Project to make an award to that Bidder, whether because the Bid is not responsive or the Bidder is unqualified or of doubtful financial ability or fails to meet any other pertinent standard or criteria established by District. For purposes of this paragraph, an "unbalanced Bid"

is one having nominal prices for some work items and enhanced prices for other work items.

- a. In evaluating Bids, District will consider Bidders' qualification, whether or not the Bids comply with the prescribed requirements, unit prices and other data, as may be requested in Document 00400 (Bid Form) or prior to the Notice of Award.
- b. Subject to any pre-qualification process for the Bidders, the District may otherwise conduct reasonable investigations and reference checks of Bidder, proposed Subcontractors, suppliers and other persons and organizations as District deems necessary to assist in the evaluation of any Bid. District shall also have the right to communicate directly with Bidder's surety regarding Bidder's bonds.
- c. Quantities between the multiplication of units of Work and unit prices will be resolved in favor of the unit prices. Discrepancies between the indicated sum or any column of figures and the correct sum thereof will be resolved in favor of the correct sum. Discrepancies between written words and figures will be resolved in favor of the words.
- d. Quantities stated in the Bidding Documents are approximate only and are subject to correction upon final measurement of the Work, and are subject further to the rights reserved by the District to increase or diminish the amount of work under any classification as advantages to design or construction needs require.
- e. District may determine whether a Bidder is qualified in its sole discretionary judgment.

**21. AWARD.** If the Contract is to be awarded, it will be awarded to the lowest responsive, responsible Bidder. Following completion of all required District procedures and receipt of all District approvals, District will issue Document 00510 (Notice of Award) to successful Bidder.

**22. BID PROTEST.** Any Bid protest must be submitted in writing to the District's offices (Attention: Office of the General Counsel), before 3:00 p.m. of the tenth calendar Day following posting in the glass case outside District's main office and District's web site of Document 00505 (Notice of Intent to Award for Construction). Time will be as determined by the Dymo Datemark clock located at the front desk of the 1<sup>st</sup> floor of the District's Customer Service Building located at 2890 Mosquito Rd., Placerville, CA 95667. District will use reasonable efforts to deliver by facsimile or e-mail a copy of Document 00505 to all Bidders who submitted Bids no later than the Business Day after issuance, although any delay or failure to do so will not extend the Bid protest deadline described above.

- a. The initial protest must contain a complete statement of the basis for the protest.
- b. The protest must refer to the specific portion of the document that forms the basis for the protest.
- c. The protest must include the name, address, and telephone number of the person representing the protesting party.
- d. Only Bidders who the District otherwise determines are responsive and responsible are eligible to protest a Bid; protests from any other Bidder will not be considered. In order to determine whether a protesting Bidder is responsive and

- responsible, District may open and evaluate information contained in any protesting Bidder's Envelope "B", and conduct the same investigation and evaluation as District is entitled to take regarding an Apparent Low Bidder. Any such opened Envelope "B" shall also be subject to all provisions of paragraph 29.
- e. The party filing the protest must concurrently transmit a copy of the initial protest document and any attached documentation to all other parties with a direct financial interest that may be adversely affected by the outcome of the protest. Such parties shall include all other Bidders who appear to have a reasonable prospect of receiving an award depending upon the outcome of the protest.
  - f. The procedure and time limits set forth in this paragraph are mandatory and are Bidder's sole and exclusive remedy in the event of a Bid protest. Bidder's failure to comply with these procedures shall constitute a waiver of any right to further pursue the Bid protest, including filing a Government Code Claim or legal proceedings. A Bidder may not rely on a protest submitted by another Bidder, but must timely pursue its own protest.

**23. POST-NOTICE OF AWARD REQUIREMENTS.** After Notice of Award, the successful Bidder must execute and submit the following documents as indicated below:

- a. Submit the following documents to District by 3:00 p.m. of the tenth (10) Day following Notice of Award. Execution of Contract by District depends upon approval of these documents, and any other document identified in District's Notice of Award:
  - 1. Document 00520 (Agreement): To be executed by successful Bidder. Submit three originals, each bearing an original signature.
  - 2. Document 00610 (Construction Performance Bond): To be executed by successful Bidder and surety, in the amount set forth in Document 00610 (Construction Performance Bond). Submit one original.
  - 3. Document 00620 (Construction Labor and Material Payment Bond): To be executed by successful Bidder and surety, in the amount set forth in Document 00620 (Construction Labor and Materials Payment Bond). Submit one original.
  - 4. Insurance certificates and endorsements required by Document 00700 (General Conditions) Article 4. Submit one original set.
  - 5. The Guaranty in the form set forth in Document 00630 (Guaranty). Submit three originals, each bearing an original signature.
  - 6. Any other item described in Document 00510 (Notice of Award) (if any).
- b. District shall have the right to communicate directly with Apparent Low Bidder's proposed performance bond surety, to confirm the performance bond. District may elect to extend the time to receive faithful performance and labor and material payment bonds.
- c. Successful Bidder's failure to submit the documents required herein, in a proper and timely manner, entitles District to rescind its award, and to cause Bidder's Bid security to be forfeited as provided herein.

- 24. FAILURE TO EXECUTE AND DELIVER DOCUMENTS.** If Bidder to whom Contract is awarded shall, within the period described in paragraph 24 of this Document 00200, fail or neglect to execute and deliver all required Contract Documents and file all required bonds, insurance certificates, and other documents, District may, in its sole discretion, foreclose on Bidder's deposit surety bond, or deposit Bidder's cashier's check or certified check for collection, and retain the proceeds thereof as liquidated damages for Bidder's failure to enter into the Contract Documents. Bidder agrees that calculating the damages District may suffer as a result of Bidder's failure to execute and deliver all required Contract Documents would be extremely difficult and impractical and that the amount of Bidder's required Bid security shall be the agreed and presumed amount of District's damages. In addition, upon such failure District may determine the next Apparent Low Bidder and proceed accordingly.
- 25. MODIFICATION OF COMMENCEMENT OF WORK.** District expressly reserves the right to modify the date for the Commencement of Work under the Contract and to independently perform and complete work related to the Project. District accepts no responsibility to Contractor for any delays attributed to its need to complete independent work at the Site.
- 26. WITHDRAWAL OF BIDS.** Bidders may withdraw their Bids at any time prior to the Bid opening time fixed in this Document 00200, only by written request for the withdrawal of Bid filed with the District at the District's office. Bidder or its duly authorized representative shall execute request to withdraw Bid. The submission of a Bid does not commit the District to award a contract for the Project, to pay costs incurred in the preparation of a Bid, or to procure or contract for any goods or services.
- 27. INELIGIBLE CONTRACTORS AND SUBCONTRACTORS.** District shall not accept a Bid from a Bidder who is ineligible to bid or work on, or be awarded, a public works project pursuant to California Labor Code section 1777.1 or 1777.7. Bidders and the Contractor who is awarded the project contract shall not utilize, or allow work by, any subcontractor who is ineligible to bid or work on, or be awarded, a public works project pursuant to California Labor Code section 1777.1 or 1777.7. (See California Public Contract Code section 6109.) The California Division of Labor Standards Enforcement publishes a list of debarred contractors and subcontractors on the Internet at [www.dir.ca.gov/DLSE/debar.html](http://www.dir.ca.gov/DLSE/debar.html).
- 28. PUBLIC RECORDS ACT REQUESTS / PROPRIETARY INFORMATION.** As a public agency, the District is subject to the requirements of the California Public Records Act found at Government Code § 6250, et seq.; therefore, any information contained in or submitted in connection with a Bid could be subject to public inspection. If Bidder believes any information contained in or submitted in connection with its Bid should be exempt from public disclosure because it is proprietary, a trade secret, or otherwise confidential (such as, for example, financial statements), Bidder must:
- a. Clearly mark the specific sentence(s), paragraph(s), page(s), or document(s) as "proprietary," "trade secret," or "confidential" – Bidder should only mark as

- “proprietary,” “trade secret,” or “confidential” the specific information Bidder believes should be exempt from public disclosure;
- b. Submit that marked information to District in a separate sealed envelope (inserted inside Envelope B) labeled “CONFIDENTIAL INFORMATION FOR BID FOR THE DISTRICT” with the project name and number, contract number, and Bidder’s name, submitted in accordance with the bid submittal instructions and before the Bid submission deadline described herein;
  - c. Include a table of contents inside said envelope labeled “Confidential” identifying the information contained therein with cross-references to the sections of Bidder’s Bid to which said information pertains. All financial statements should be stapled or otherwise bound and clearly labeled “Financial Statements.”

Thus, Bidder will submit two (2) separate, sealed envelopes for its Bid:

1. Envelope A;
2. Envelope B; and
3. A separate sealed envelope within Envelope B containing all proprietary, trade secret, and otherwise confidential information of Bidder, labeled in the manner described above.

Except as otherwise required by law, District will use its best efforts to avoid public disclosure of any information marked “proprietary,” “trade secret,” or “confidential” contained in the separate sealed envelope labeled “Confidential” submitted by Bidder. In exchange, Bidder agrees to indemnify, defend and hold harmless District, and its officials, employees, representatives, and agents, from any and all claims or actions related to nondisclosure of said information.

All Envelopes A will be retained by District regardless of the outcome of the bidding process. With regard to Envelope B (and the envelope labeled “Confidential” contained therein):

- a. Any sealed Envelopes B not opened by District will remain sealed and eventually be returned to Bidder;
- b. As for Envelopes B opened by District:
  - i. The bound, labeled financial statements contained in the envelope labeled “Confidential” inside Envelope B will be returned to unsuccessful Bidders ninety (90) calendar days from the award of the contract or decision to reject all bids.
  - ii. If the contract is awarded, the bound, labeled financial statements contained in the envelope labeled “Confidential” inside Envelope B of the successful Bidder will be returned to the successful Bidder after final completion of the Project.
  - iii. All other information contained in Envelope B (i.e. everything contained in Envelope B excluding the bound, labeled financial statements inside in the envelope labeled “Confidential” contained therein) will, upon written

request from Bidder to District, be returned to unsuccessful Bidders after three (3) years from the award of the contract or decision to reject all bids.

- iv. All other information contained in the successful Bidder's Envelope B (i.e. everything contained in Envelope B solely excluding the bound, labeled financial statements inside in the envelope labeled "Confidential" contained therein) will be retained by District.

Information disclosed in the SOQ and the attendant submissions are the property of District unless Bidder makes specific reference to data that is considered proprietary. Subject to the requirements in the Public Records Act, reasonable efforts will be made to prevent the disclosure of information except on a need-to-know basis during the evaluation process.

29. **CONSTRUCTION PAYMENT BOND AND CONSTRUCTION LABOR AND MATERIALS BOND SURETY.** Document 00610 (Construction Payment Bond) and Document 00620 (Construction Labor and Materials Bond) shall be executed by a surety insurer admitted in the State of California by the Department of Insurance. District shall verify Surety's admission by either: (1) printing out information from the website of the Department of Insurance confirming that Surety is an admitted surety insurer; or, (2) obtaining a certificate from the County Clerk confirming that Surety is an admitted insurer. District shall attach such verification to Document 00610 and Document 00620.
30. **CONFORMED CONSTRUCTION DOCUMENTS.** Following Award of Contract, District may prepare a conformed set of Contract Documents reflecting Addenda issued during bidding, which will, failing objection, constitute the approved set of Contract Documents.
31. **DEFINITIONS.** All abbreviations and definitions of terms used in this Document 00200 are set forth in Section 01420 (References and Definitions).
