2010 HIGH EFFICIENCY CLOTHES WASHER REBATE APPLICATION

ELIGIBILITY REQUIREMENTS FOR A REBATE (credit or check)

1. Be an EID or City of Placerville water or water/sewer customer.
2. Purchase and install a new TIER 3 high efficiency clothes washer (HECW) as rated by the Consortium for Energy Efficiency (CEE) Clothes Washer Qualifying Product List.
3. Attach a copy of your sales receipt for your new TIER 3 HECW that was purchased between 01/01/10 and 12/31/10.
4. Remove your high water usage clothes washer from the home, apartment, townhouse, condominium, mobile home or commercial/industrial/institutional building, and then properly dispose of the old washer.

PROCEDURE TO RECEIVE A REBATE (credit or check)

1. Purchase and install a TIER 3 HECW as determined by the CEE listings at www.cee1.org (see directions below).
2. To avoid delays, fully complete Page 1 of this application and return it with a copy of your sales receipt showing the model number to the EID Office of Water Efficiency at 2890 Mosquito Road, Placerville, CA 95667.
3. It is the responsibility of the applicant to properly dispose of the old clothes washer.

Rebate credit or check: Eligible customers that receive their water or water/sewer bills directly from EID will receive a rebate by credit on their EID account. Please allow 10 to 12 weeks for your rebate credit to be reflected on your water bill. Eligible customers that do NOT receive a water or water/sewer bill from EID – such as customers with the City of Placerville, customers residing in mobile home parks, and customers receiving bills indirectly from a third party such as property managers, homeowner associations, and landlords – will receive a rebate by check. Please allow 6 to 8 weeks to receive your rebate check.

Rebate amount (credit or check): The 2010 rebate amount is \$110 for a TIER 3 qualifying clothes washer. In order to qualify, the clothes washers must be a TIER 3 HECW as rated by the Consortium for Energy Efficiency (CEE) Clothes Washer Qualifying Product List. Please note that not all Energy Star® labeled clothes washers are rated TIER 3 (for energy and water savings). Go to www.cee1.org for a list of qualifying TIER 3 clothes washers (click on Residential Home Appliances/clothes washers or Commercial Clothes Washers, and then “qualifying products list”).

Duration: The effective date for EID’s 2010 high efficiency clothes washer rebate program is from January 1 through December 31, 2010. Applications will be accepted on a first-come, first-serve basis while funding is available or until the program is discontinued. EID in its discretion may at any time change or terminate this program without prior notice. All 2010 rebates must be received by EID no later than January 31, 2011.

Verification of Installation: EID reserves the right to inspect, and/or verify on-site, the installation of any high efficiency clothes washer submitted for this rebate program. Installation costs are NOT eligible for a rebate.

Disclaimer: EID reserves the right to deny any application that does not meet all of the requirements of this high efficiency clothes washer rebate program. EID makes no representations or warranties as to the condition, quality, effectiveness, operability, or cost of installing or operating any clothes washer subject to this program; nor of removing or disposing of any clothes washer in connection therewith; and, to the extent not prohibited by law, disclaims all express and implied conditions, representations and warranties related thereto, including without limitation, any implied warranty of merchantability or fitness for a particular purpose.

Limitation of Liability/Release: Applicant understands and agrees that to, the extent not prohibited by law, in no event shall EID, its officials, officers, employees or agents be liable for any claimed or actual damages or losses of any kind, however caused and regardless of the theory of liability, related in any way to this high efficiency clothes washer rebate program, even if EID has been advised of the possibility of such damages or losses. To the extent not prohibited by law, applicant assumes all risks associated with this program, including without limitation, all risks associated with installation and operation of any high efficiency clothes washer subject to this program - including without limitation, the risk of not realizing cost savings as a result of using the high efficiency clothes washer - and the removal and disposal of any clothes washer in connection therewith. Applicant releases EID, its officials, officers, employees, and agents from any and all claims for damage or death or injury to any persons or property arising in any way from this high efficiency clothes washer rebate program; any high efficiency clothes washer subject to this program, including without limitation the use or operation thereof; or the removal or disposal of any clothes washer in connection therewith; other than those caused solely by the willful or grossly negligent acts or omissions of EID.
