Wednesday- March 14, 2012  
Wednesday- April 11, 2012  
Wednesday- May 9, 2012

**Time:** 1:00 p.m. – 2:15 p.m.

**Place:** The Lodge @ Four Seasons  
3186 Four Seasons Drive  
El Dorado Hills, CA 95762

**(Latrobe Road; west on White Rock Rd, left at Four Seasons Drive)**

The class will explain the District's recycled water guidelines, uses, and requirements. There will be a review of the plan approval and inspection process to help prevent costly mistakes in the design, bidding and installation of backyard landscaping systems.

All homeowners living in homes with recycled water as well as designers, and contractors working in dual-plumbed communities are required to attend an EID workshop before any design or installation begins. All designers and contractors are required to attend this orientation every 18 months. Homeowners need to attend one-time only.
