OUTINGDALE RAW WATER PUMP STATION (RWPS) UPGRADE

PROJECT NO. 16048.01

CONTRACT NO. E20-17

NOTICE IS HEREBY GIVEN that sealed Bids will be received no later than 3:00 PM, local time, on November 24, 2020, at the Lobby Desk of the El Dorado Irrigation District Office, 2890 Mosquito Road, Placerville, CA 95667 for Construction Services for the Outingdale RWPS Upgrade, Project No. 16048.01. Bids must be delivered before the submittal deadline. District will reject all Bids received after the specified time and will return such Bids to Bidders unopened.

The work shall consist of complete replacement of the existing Raw Water Pump Station for the Outingdale Water Treatment Plant. This includes installation of new pumps, inlet, tank, and access. Bidding Documents contain the full description of the Work.

A California Classification A contractor's license is required. A mandatory pre-bid meeting and site visit is scheduled for 9:00 AM, local time, Friday, November 6, 2020 at the Outingdale Water Treatment Plant, 6008 Outingdale Rd., Somerset, CA 95684.

PUBLIC WORKS LAWS. The project is a public works project subject to compliance monitoring and enforcement by the Department of Industrial Relations (DIR). To be qualified for this project, a contractor must be registered with the DIR. In addition, pursuant to prevailing wage laws, copies of the prevailing wage rates are on file at the District’s principal office and are available on request.

Contract documents and drawings are only available electronically. Contract Documents may be obtained on the District’s website located at www.eid.org/contracts. The Engineer's Estimate is between $1,300,000 and $1,500,000.

Questions regarding this project should be directed to the Project Manager by emailing Mr. Patrick Wilson at pwilson@eid.org, or by calling 530-642-4079.

Dated this 16th day of October, 2020
