

El Dorado Irrigation District's RECYCLED WATER WORKSHOP

Please email or call to reserve a seat and information packet for a scheduled date below.

recycledwater@eid.org or (530) 295-6873

Date: Thursday- January 9, 2020
Thursday- February 13, 2020
Thursday- March 12, 2020
Thursday- April 9, 2020
Thursday- May 14, 2020
Thursday- June 11, 2020
Thursday- July 9, 2020
Thursday- August 13, 2020
Thursday- September 10, 2020
Thursday- October 8, 2020
Thursday- November 12, 2020

Time: 11:30 a.m. – 12:45 p.m.

Location: Blackstone Clubhouse
1461 Blackstone Parkway
El Dorado Hills, CA 95762

The workshop will cover the District's recycled water irrigation system and drinking water feature requirements. There will be a review of the plan approval and inspection process to help prevent costly mistakes in the design and installation of the landscape irrigation and any water feature systems.

All homeowners living in homes supplied with recycled water as well as designers and contractors working in dual-plumbed communities are required to attend an EID workshop before any design or installation begins. All designers and contractors are required to attend a workshop every 18 months.

In accordance with the Americans with Disabilities Act and California law, it is the policy of the El Dorado Irrigation District to offer its public programs, services and meetings in a manner that is readily accessible to everyone, including individuals with disabilities. If you are a person with a disability and require information or materials in an appropriate alternative format; or if you require any other accommodation, please contact the ADA Coordinator at the number or address below at least 72 hours prior to the meeting or when you desire to receive services. Advance notification within this guideline will enable the District to make reasonable arrangements to ensure accessibility. The District ADA Coordinator can be reached at (530) 642-4045 or adacoordinator@eid.org
